Rick played for our outdoor wedding and did a wonderful job! He was on time, which was a major relief since several of our vendors were late and created unnecessary stress. For our ceremony, Rick did a great job playing the songs we chose from his extensive songlist, and the volume was right on - not too loud, not too soft. For the cocktail hour, it was so nice having him play background music as well. I would recommend him to any of my friends getting married in the Greater Cleveland area! He went the extra mile in sending us a card with our picture on it after our wedding, thanking us for having him play at our special day. Definitely great to work with!!

**Cole and Audrey**

My husband and I were looking for the perfect musical addition to our recent wedding. Having read Rick's wonderful reviews while listening to his audio samples, we booked him to play for our ceremony and reception. What a great decision! Not only was Rick responsive during the planning, but he was very professional, prompt and reliable. Additionally, his repertoire impressed our guests of varying ages and included songs that span several decades. Contracting Rick was one of the best decisions we made during our wedding planning, and we will be requesting him to play at future events, as well.

**Sarah Thompson**

Rick was an absolute joy to work with for our ceremony. He had an extensive repertoire of songs, however there was a particular song that we wanted played, and Rick learned the song and played it wonderfully. He showed up early, was well prepared, and came dressed in a wonderful tuxedo. His music was the capstone to our ceremony and gave it that extra flair that we were looking for. Even though it was an extremely small event, Rick treated it as if it was the biggest event of the year with complete professionalism. He was great to work with and we would certainly have him for any of our future events.

WEDDING DAY: CEREMONIES • COCKTAIL HOURS • RECEPTIONS

I hired a wonderful musician for my wedding. His name is Rick Iacoboni, and he was absolutely great. He played classical acoustical guitar at our wedding and then picked it up with hits from everything from Sinatra to The Eagles during our reception. No vocals, just great guitar sound. I would recommend Rick for any of our UH events that required a live, very prompt and professional musician.

**Chris J. Burdon**

I can't thank you enough for entertaining the guests at my daughter's wedding on a busy Thanksgiving weekend. I have received numerous compliments from our friends and family on your performance and the variety of music that you played. You made our cocktail and dinner time extremely enjoyable. You were very professional and complimented our DJ well. Do not hesitate to use me as a reference.

**Bill Stasuk, Father of the Bride**

When we started looking for ceremony music, we were referred to Rick and his website. After listening to his audio samples and reading such positive reviews, I gave Rick a call. He was so polite and friendly, and gave us advice on music that he knew would be perfect for our wedding. We are so happy with our choice. Hearing him play as I walked down the aisle helped ease my nerves. Every song and note was perfect! We will not hesitate to recommend Rick for any event we have in the future!

**Ray and Cara Salacienski**

Rick played the music for our ceremony and cocktail hour. His music sounded fantastic! Our guests reached out to tell us how nice his acoustic guitar sounded, and how they really enjoyed his music selections. Rick was very easy to work with. He arrived early at the ceremony venue and started playing as our guests were arriving. During the planning process Rick was very responsive, which was a huge relief when juggling so many different vendors. Rick Iacoboni is a wonderful music choice to your wedding. Thank you!

Rick was professional, responsive and really cared about making our wedding a special and wonderful day! I highly recommend him for any special event!

I just wanted to say thank you for providing such a pleasant backdrop to our Women, Wheels & Wine event. It's always a bit of a challenge to turn an auto repair facility into an event facility. Your background music was a warm greeting as the ladies arrived for our evening and a nice gentle backdrop throughout the rest of the night. Thanks again for making our event a tremendous success!

### AMASA STONE CHAPEL

Just wanted to say how much we enjoyed hearing Rick play at the recent memorial service in the Amasa Stone Chapel. How beautiful to have a "celebration of life" accompanied by a "soundtrack of life". It's a perfect way to personalize a service! Everyone has special songs we remember fondly that were part of our lives. This is a meaningful way to have people know and remember us through our music choices. Rick's acoustic guitar music is peaceful and a beautiful touch for a funeral or memorial service as well as other lifecycle events.

Rick was very pleasant to work with and his music was perfect for our event. Instead of grieving about the loss of my mother, we were able to celebrate her life through beautiful ambient music and touching stories about how she impacted all of our lives. His song choices brought back a lot of fond memories. Rick's presence set the appropriate mood right from the start. It was really lovely.

## PARISH - CHURCH TESTIMONIALS

Twice this summer our parish hired Rick to entertain our members in an outdoor setting. We could not have been more happy with the entertainment provided by Rick. The playlist was eclectic, satisfying everyone's tastes. His presentation style was non-intrusive and casual. His wandering minstrel approach was the perfect touch for the garden setting. The volume of his music was perfect, greatly facilitating our members' interaction. We will gather in the garden again next summer and will be sure to invite Rick to entertain once more.

**St. Clarence Parish**

Your musical performance was very wonderful for our parish Christmas dinner. You certainly are a very talented individual and it is no wonder that you are invited to play for so many activities. It was the perfect background music. You provided musical ambiance at a volume that allowed gentle strains of reflection for conversation. Most certainly I will keep you in mind for the future.

**Sister Mary Cordell, St. Paschal Baylon**
